

IDAHO 2008 LANDOWNER APPRECIATION PERMITS

Deer, Elk, and Pronghorn

The Future of Idaho's Wildlife and Hunting Heritage is Dependent Upon Its Landowners

Photo by C. Barton

Access Yes! —A Landowner/Sportsmen Program

The Department of Fish and Game, with assistance from the Fish and Game Advisory Committee and the Department of Agriculture, has implemented a private lands access program called **Access Yes!** The program compensates willing landowners for providing fishing and hunting access for sportsmen. For more information contact your nearest Fish & Game office.

Idaho, like other Western states is experiencing overall declines in mule deer populations, although in some areas, mule deer numbers are stable or increasing. Because mule deer hunting is so important in Idaho, Fish and Game is committing additional personnel and resources to improve habitat and increase mule deer numbers. The Idaho Mule Deer Initiative is a statewide effort, but particular effort will be made across south-central and southeast Idaho.

If you're interested in improving mule deer habitat on your land, please contact the nearest Fish & Game office. Cost-share funds are available for private land projects to benefit mule deer.

THESE WEEDS ARE DESTROYING YOUR GAME HABITAT!

Be on the lookout for noxious weeds! Non-native invasive plants, which replace native vegetation creating poor habitat for game birds and animals.

Here is how you can help.

- Drive only on established roads and trails away from weed infested areas.
- Carry only certified weed free hay for pack animals.
- Remove weed seeds from pack animals, dogs, ATV's, and other off-road vehicles
- Map the locations of weed infested areas and report them to your local county weed superintendent located under County Government in the phone book.

Leafy Spurge
(*Euphorbia esula*)

Dalmatian Toadflax
(*Linaria genistifolia*)

Spotted Knapweed
(*Centaurea maculosa*)

Rushskeleton Weed
(*Chondrilla juncea*)

Yellow Starthistle
(*Centaurea solstitialis*)

THE HABITAT IMPROVEMENT PROGRAM

Private lands habitat is a key to many wildlife populations in Idaho. The Habitat Improvement Program, HIP for short, is a technical assistance and cost-share program designed to help landowners create or improve habitat for waterfowl, upland game birds, and many other species.

What Does HIP Do?

HIP assists private landowners by:

- Providing project planning
- Providing special equipment
- Helping with project cost

For more information, contact your local regional Idaho Fish and Game office (listed on the back of this brochure).

Rules and Applications — 2008

Application Found on Page 11

Land and Applicant Registration

Landowners must register their land before they apply for Landowner Appreciation Permits. They only have to register their land once, but if their land eligibility changes in future years, they must re-register.

Land registration must be submitted on a form provided by Idaho Fish and Game. Along with it, the landowner must provide to Fish and Game a copy of the deed(s) bearing the name(s) of the owner(s), the most recent tax assessment(s), and a map of the eligible property. Fish and Game will certify the registration and land description and return a copy to the landowner.

Eligibility Rules

Property: To be eligible, property must be at least 640 acres of land in one controlled hunt unit whether owned by one or more persons, a partnership, or corporation. It shall not include any government lands.

Only property that is used by and provides significant habitat values for deer, elk or pronghorn qualifies for the Landowner Appreciation Permit program. Landowners may receive a permit only for the species that use the property.

Landowners will only be eligible to apply for Landowner Appreciation Permit controlled hunts occurring where the registered property is located (see controlled hunt area descriptions in the Big Game Seasons brochure).

Applicants: Only one Landowner Appreciation Permit per species may be issued for eligible property consisting of between 640 and 4,999 acres. One additional permit may be issued to a landowner or designated agent for eligible property of 5,000 acres or more. No landowner or designated agent is eligible to receive more than one permit for one species in a calendar year. No more than two Landowner Appreciation Permits may be issued to any eligible landowner.

If more than one application is received for eligible property consisting of 640 to 4,999 acres, all applications will be disqualified. If more than two applications are received for eligible property consisting of 5,000 acres or more, all applications will be disqualified.

A successful landowner, corporate or partnership representative drawing a Landowner Appreciation Permit may, without additional fees, designate to whom the permit will be issued. If the designee already has a general season tag for the species drawn, they will need to exchange the tag for the designated

Landowner Appreciation Permit at a regional office. This exchange must take place prior to the opening season dates for which the general tag is valid. Exchanges requested after the opening of a general season for which the general tag is valid will not be allowed.

Eligible applicants are limited to landowners listed on the Landowner Appreciation Registration Form.

“Landowner” is defined as any person or corporation whose name appears on a deed as the owner of eligible property or whose name appears as the purchaser on a contract for sale of eligible property.

“Authorized Corporate Representative” is defined as any shareholder in a corporation, designated in writing by the corporation as the eligible applicant, who is in actual physical control of the eligible property.

Requirements of Non-Landowner Applicants

Corporate / Partnership Representatives: If the person registering is an authorized corporate or partnership representative, he or she must submit with their registration written verification from the board of directors, partnership, or an officer of the corporation, other than themselves, verifying that he or she is authorized to register the property and eligible applicants.

Hunt Areas and Permits

Landowner Appreciation Permits are made available for controlled hunt areas designated by Idaho Fish and Game.

See the 2008 Big Game Seasons brochure for descriptions of hunt areas. Hunt areas may differ by species (e.g., deer, elk, pronghorn).

If there are more applicants than permits available in an area, successful applicants will be determined by drawing. Applications which are not drawn for the first choice hunt will automatically be entered into a second choice drawing provided the second choice hunt applied for has not been filled.

All big game rules apply to persons applying for, or hunting with, Landowner Appreciation Permits, except:

- You are eligible to apply for a Landowner Appreciation Permit even if you have applied for a moose, bighorn sheep, or mountain goat hunt.
- Landowner Appreciation Permit applicants for antlered deer and elk hunts are **exempt** from the one-year waiting period after being drawn.

Motorized Vehicle Restriction

The use of motorized vehicles by hunters as an aid to hunting big game is restricted in certain areas. A full description of the rule can be found in IDAPA 13.01.08.411, 13.01.08.412, or the 2008 Big Game Seasons brochure. In summary, the rule states motor vehicle use as an aid to hunting for wildlife is restricted to established roadways open to motorized traffic capable of travel by full-sized automobiles. A full-size automobile is any motorized vehicle with a gross weight in excess of 1500 pounds. Established roadways will be considered any roadway-dirt or better-showing signs of repeated use by full-sized vehicles and typically have depressed wheel tracks and minimal to no vegetation in the wheel tracks. Vehicle users can retrieve game, pack camps or ride for pleasure as long as they are in compliance with land manager or private landowner restrictions. The rule does not apply to private lands with permission from the landowner.

See 2008 big game seasons brochure for
motorized vehicle restrictions

Special Restrictions

Landowner Appreciation Permittees may hunt only within the boundaries described in the hunt area designated by Fish and Game.

- No person shall kill more than one deer, elk or pronghorn in a calendar year **except**:
 - An additional deer, elk or pronghorn may be taken by persons holding permit/tags for special depredation hunts.
 - When an additional deer or elk is taken in an “extra” deer or elk hunt when the taker has a permit/tag for that hunt. See annual Big Game Seasons brochure.
 - An additional deer or elk may be taken by persons who have purchased leftover nonresident deer or elk tags.
 - An additional deer, elk, or pronghorn may be taken by persons holding a Super Hunt or Super Hunt Combo tag(s) for the given species.
- In no event shall any person take more deer, elk or pronghorn during a calendar year than the number of tags they legally possess for each species.
- Only valid, current-year deer, elk, or pronghorn tags may be used in conjunction with a Landowner Appreciation Permit.

Application Fees

Personal checks or money orders are acceptable.

The fee is \$6.25 for each application for each species for each permit. Successful applicants can purchase permits and tags at any hunting license vendor. Tag fees will not be accepted with applications.

Application Deadline: Fish and Game will accept applications on or after June 15. Applications received by July 15 will be entered in the random drawing for permits, which will be weighted to allow one chance for each 640 acres of eligible property to each applicant.

Application for leftover permits will be accepted on or after August 15 of each year on a first come, first served basis. Landowners will only be eligible to apply for leftover permits where the registered property is located (see controlled hunt area descriptions in the Big Game Seasons brochure). Only written applications from registered landowners will be accepted and must be accompanied by a \$6.25 fee.

Successful applicants who apply by July 15 will be notified by mail no later than August 15. You can also review a list of successful applicants by contacting: License Section, Idaho Dept. of Fish and Game, P.O. Box 25, Boise, ID 83707 (208) 334 -3700.

Sale of Permits Prohibited

Idaho State Law prohibits the selling of Landowner Appreciation Permits.

Mandatory Report Requirements

All deer, elk and pronghorn hunters will be provided a **Mandatory Hunter Report** card with each tag. All hunters are required to fill out and submit a report by mail, fax, phone or Internet for each tag within 10 days after harvest. Hunters who do not harvest are required to file a report within 10 days after the close of the hunting season.

The best way to submit hunt information and the only way to get confirmation that the report was received is to do it online. Go to <https://www.idaho-hunt.com>.

To submit by phone, call toll free 1-877-268-9365. Mandatory report cards may also be mailed to Hunter Harvest Reports, P.O. Box 70007, Boise ID 83707-0107.

Landowner Appreciation Permits — 2008

The information contained in this brochure summarizes the rules pertaining to Landowner Appreciation Permits for the taking of deer, elk and pronghorn. The official rules are available from the Division of Statewide Administrative Rules, Department of Administration, Statehouse Mail, Boise, ID 83720, and may be reviewed in some libraries. Refer to the Game Management Unit boundary descriptions and controlled hunt area descriptions in the Annual Big Game Seasons brochure for legal boundaries. Idaho Fish and Game adheres to all applicable state and federal laws and regulations related to discrimination on the basis of race, color, national origin, age, sex, or handicap. If you feel you have been discriminated against in any program, activity, or facility of Fish and Game, or if you desire further information, please write to: Idaho Department of Fish and Game, P.O. Box 25, Boise, ID 83707; OR Office of Human Resources, U.S. Fish and Wildlife Service, Department of the Interior, Washington, DC 20240.

Costs associated with this publication are available from Idaho Fish and Game in accordance with Section 60-202, Idaho Code.
